

# IPTEC INSIGHTS

NOVEMBER EDITION

## 2024-2025 LIAISON INTRODUCTIONS

Hannah Davis, PharmD

Hi! I am a current PGY1 resident at Parkview Health in Fort Wayne. My future career interests are critical care and emergency medicine. Fun fact I bought a shih tzu puppy as my graduation present.

My email is:

Hannah.Davis@parkview.com

Rylee Kochersperger, PharmD

Hi! I am a PGY1 pharmacy resident at Community Health Network and a proud Butler University Alumni. I am interested in pediatrics. I have two cats who are named after musicians.

My email is:

A76976@ecommunity.com

Megan Routh, PharmD

Hi! I am currently a PGY1 resident at Veteran Health Indiana! I graduated from Purdue University and am interested in ambulatory care/academia. Fun fact I have an IMDB credit from being an extra in a movie!

My email is:

Megan.Routh@va.gov
